

CREATE YOUR MOTHER'S PORTRAIT

Entries to be submitted by Thursday, 27 February 2020

We have lots of gifts and cards for Mother's Day, but what could be better than to exhibit a child's portrait of their mother in our shopping centre and on the web. A very public display of affection indeed. This sheet is for children to portray their mothers in whatever materials they like - felt tips, paint, crayons, collage, multimedia or even computer generated graphics.

How to enter

The competition is open to children between the ages of 5 and 11. Simply create a portrait of your mother on the other side of this sheet, fill in your details on the front and back and take it to the Help Desk, Level 2, near BB's by Thursday, 27 February 2020. Selected entries will be displayed in the Centre's 'Daniel's View' gallery area before Mother's Day.

All entries will be displayed on our Facebook page at facebook.com/themercurymall

The winners - Judges' Choice

An entry in each age category will be chosen by our judges and the winners notified directly or at the schools address by Friday, 6 March 2020.

The winners - People's Choice

All the portraits will be uploaded on to a virtual picture gallery on our Facebook page on Friday, 28 February 2020. The public will be invited to like and comment on their favourite portrait.
